

## CLUB RULES & REGULATIONS

---

Please remember that your kind of holiday may not be the same as that of your neighbours. For this reason, the on-site management have been instructed to display and enforce the following rules and regulations:

- The on-site bars will have to stop all music, live or recorded, before 23:30 hours and will be closed and shut up by midnight.
- Children under 13 years of age are not to be allowed to wander the Resort unsupervised after 21:00 hours.
- Children must not play with the black gravel (picon) in the gardens or flower pots as this causes a great deal of mess around the Resort.
- It is forbidden to take apartment towels to the beach and we ask you to refrain from using them around pool area.
- Please do not feed the birds.
- Inflatables of any shape and size other than proper swimming aids are not allowed to be used in the swimming pools between 11:00 – 12:00 hours all year round and 17:00 – 18:00 hours in the summertime. (Winter 16:00 – 17:00)
- The playing of ball and Frisbee games in any area of the Resort (including the swimming pools) is prohibited at all times.
- Music is not to be played on loudspeakers outside of your own apartment at any time. When playing music inside your apartment the volume should be set at a level so that the music does not annoy your neighbours or other guests outside.
- Smoke Alarms are fitted in each apartment and are checked regularly by maintenance. We would ask that you do not tamper with smoke alarms, if you hear a beeping noise, the battery needs replaced. Please report this to the main Reception immediately.
- All guests are requested to be as quiet and considerate as possible when entertaining on the terrace of the apartment or entering and leaving apartments in the early hours of the morning.
- The breaking of these rules is without doubt the major cause of complaints that we receive from clients on the resort and we ask for your co-operation in order to keep the number of complaints to an absolute minimum.
